If you were closer to Norway we would go and see you all the time because we loved so much being spoiled.....This is definately the best and "happiest" guest house we have ever been to.

Our four children had plenty of space - and also been involved with the cooking!

We have been to several football matches, museums, Soweto, Cradle of Humankind and now we are going to Kruger.

Thank you
so much for all the care - we will always remember you!

Love from
family Roti in Oslo.

South Africa has provided an exciting adventure as you probably suspect. However one of the most exciting and unforgettable experiences has been staying here. You have made us feel like family providing us with friendship, kindness, exceptional service, delicious food and the most comforting and relaxing place to stay that we could have hoped for. We will never forget anyone. Thank you very, very much.
